## 2. BASIS OF PREPARATION

2.1

Standard – 34 "Interim Financial Reporting" as applicable in Pakistan, the Trust Deed, the NBFC Rules, Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations) and directives issued by SECP. In case where the requirements differ, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

These condensed interim financial statements have been prepared in accordance with International Accounting

2.2 These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the financial statements of the Fund for the year ended June 30, 2011.

## 3. SIGNIFICANT ACCOUNTING POLICIES

financial statements are the same as those applied in the preparation of the financial statements of the Fund of the Fund and for the year ended 30 June 2011, except for the following amended IFRS and IFRIC interpretation which became effective during the period

IFRS 7 – Financial Instruments: Disclosures - Amendments enhancing disclosures about transfers of financial

Improvements to various standards issued by IASB in 2010 IFRS 7 – Financial Instrument Disclosures

IAS 1 – Presentation of Financial Statements IFRIC 13 – Customer Loyalty Programmes

The adoption of the above standards, amendments / improvements and interpretations does not have any effect

on the financial statements.

## 4. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of condensed interim financial statement in conformity with approved accounting standards, as applicable in Pakistan, requires the Management Company to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual result may differ from these estimates.

The significant judgments made by the Management Company in applying accounting policies and the key sources of estimation uncertainty were the same as those that applied to financial statements as at and for the year ended from 30 June 2011 except as mentioned in Note 5.

## 5. ELEMENT OF INCOME / (LOSS) AND CAPITAL GAIN / (LOSS) INCLUDED IN PRICES OF UNITS SOLD LESS THOSE IN UNITS REDEEMED

To prevent the dilution of per unit income and distribution of income already paid out on redemption as dividend, an equalization account called "element of income / (loss) and capital gain / (loss) in prices of units sold less those in units redeemed" is created.

The "element of income / (loss) and capital gain / (loss) in prices of units sold less those in units redeemed" account is credited with the amount representing net income and capital gain accounted for in the announced net asset value and included in the sale proceeds of units. Upon redemption of units, the "element of income / (loss) and capital gain / (loss) in prices of units sold less those in units redeemed" account is debited with the amount representing net income and capital gain accounted for in the last announced net asset value and included in the redemption price.

During the period, the Fund has revised its methodology for recognition of element of income / (loss) and capital gain / (loss) included in the prices of units sold less in those in the units redeemed in the financial statements. As per the revised methodology, element of income / (loss) and capital gain / (loss) included in the prices of units sold less those in units redeemed is recognised in the income statement to the extent it is represented by increase in net income and capital gains earned during the period. Previously, the element of income / (loss) and capital gain / (loss) included in the prices of units sold less those in the units redeemed represented by net income and capital gain carried forward from previous period was also recognised in the income statement. The effect of revision in the methodology has been incorporated in the current period.

Had the methodology not been changed, net income and total comprehensive income for the period would have been lower by Rs. 1,169/-. However, the change has no effect on the net assets of the Fund.

## 6. FINANCIAL RISK MANAGEMENT

The Fund's financial risk management objectives and policies are consistent with those disclosed in the financial statements and for the year ended 30 June 2011.

## 7. BANK BALANCES

This represents saving account maintained with a related party and carries profit rate of 10% (30 June 2011: 11%) per annum.

#### 9. WORKERS' WELFARE FUND

amendment it is alleged that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication.

During last year, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance), As a result of this

collecting agency of WWF on behalf of the Ministry) vide its letter dated October 06, 2010 to its members for necessary action. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. However, the FBR vide its letter dated January 04, 2011 have cancelled its earlier letter dated October 06, 2010 ab initio and issued show cause notices to certain mutual funds for collecting WWF. In respect of such show cause notices, certain mutual funds have been granted stay by Honorable High Court of Sindh on the basis of the pending constitutional petition in the said court as referred above.

During the period, the Honorable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance ,1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC will lend further support to the Constitutional Petition which is pending in the SHC.

However, keeping in view the uncertainity on the applicability of WWF to mutual fund, the management company as a matter of prudence has decided to continue to maintain the provision for WWF amounting to Rs. 0.50 million (30 June 2011: Rs. 0.430 million) upto 31 March 2012.
